NEW SESSION

"A journey of a thousand miles must begin with a single step." Lao-Tsu

The school gate opened for the tiny steps on Monday, 1st April 2019 – the start of the new academic session of 2019-20. The day started with the morning prayers seeking God’s blessings for the next following steps in the journey of learning. The children were welcomed by the Principal and the teachers with a warm smile. Teachers were seen making students comfortable in their new classrooms. Everyone was feeling excited and felt glad to meet their old friends, new teachers and a new schedule.

PRINCIPAL’S MESSAGE

BE THE WINNER

Dear Students you have just began your new session and you feel that you have grown a bit. As you move into your new classrooms you must have listened to good advises of your parents to be good and to do your home works etc. At times your parents are much worried about your daily routines and keep track of your progress in the daily text messages from KYC. All of them want that you should become a good person and we in the school too want you to be a good child and be a winner of life. Do you know what is good winning over evil? Once one evening an old man told his grandson about a battle that goes on inside people. He said, “My son, the battle is between two “wolves” inside us all. One is EVIL. It is anger, envy, jealousy, sorrow, regret, greed, arrogance, self-pity, guilt, resentment, inferiority, lies, false pride, superiority, and ego. The other is GOOD. It is joy, peace, love, hope, serenity, humility, kindness, benevolence, empathy, generosity, truth, compassion and faith. The grandson thought about it for a minute and then asked his grandfather: “Which wolf wins?” The old man simply replied, “The one you feed.” Did you ever sit down and think about this while at school or at home when your elders and teachers teach you about good and evil. I am sure with their help you have been able to distinguish what is good and evil. A good person is the one who lives his life with values of kindness, integrity and justice. Education should help you to be a good person. As Mahatma Gandhi said “an education which does not teach us to discriminate between good and bad, to assimilate the one and eschew the other, is a misnomer.” So try to feed good values in your life and be the winning wolf.
